

It is our hope that you will be in the word of God this year. The following plan takes you through the whole bible chronologically while also weaving in Psalms.

Here are some tips for Bible Reading:

Pick a Time and Place - You prioritize the things you value. Your time in God's word should not be thrown in "whenever you have the time" but it should be a set time and place each day.

Pick a Strategy - Are you reading the bible in a year? Going through a specific book with a bible study resource? Be intentional with how you read the Bible.

Begin in Prayer - Try beginning your quiet time praying Psalm 119:18, "*Open my eyes, that I may behold wondrous things out of your law.*"

Start Small - Start small but be faithful with it. If you can add more time later, then do so. If you start small, you'll be amazed at how this will encourage you and build momentum.

Eliminate Obstacles - Before you check email, social media, or the news, check in with God. Otherwise, your mind will already be distracted and filled with distractions. Turn off your devices and use a physical book for Bible reading.
